‹ Online Access and account features

Goal tracking made easy

Whether you're planning for something down the road, like retirement, or as s as your next vacation, an important part of achieving any goal is regularly checking in to see if you're on track.

Online Access makes that easy. You can easily see and track your goals, plus explore how different scenarios might impact them (web only – available soon on the app). You'll always know where you stand today, how much further you have to go and what it might take to get there.

Manage your accounts and so much more

With Online Access, you can safely and securely:

- See a snapshot of your current financial situation and progress
- View your account holdings, performance, activity and more

- Track progress toward your goals and explore what-if scenarios you can share with your team (web only – available soon on the app)
- Message and share documents with your Edward Jones team
- View and sign documents related to your Edward Jones accounts
- Connect accounts to view balances held outside of Edward Jones
- Manage your money with the ability to transfer funds, pay bills (web only) and deposit checks (app only)

Signing up for Online Access also means less paper mail. With Online Access, most of your documents and communications are delivered electronically. So, you can easily keep track of important paperwork online and have less paper clutter.

Take Online Access with you wherever you go

Your goals are always within reach when you have the Edward Jones app. Stay connected to your financial advisor, the market and your Edward Jones accounts – anytime, anywhere.
